

<p>When should my child self-isolate or miss school?</p> 	 NO	<ul style="list-style-type: none"> • All children MUST attend school unless they are ill. • From 16th August 2021, children under 18 (or double-vaccinated adults) do not need to self-isolate or miss school if a member of their household or a contact, has Covid. • Instead, they will need to book a PCR test but can continue coming to school so long as they have no symptoms and the test result is negative.
	 YES	<ul style="list-style-type: none"> • If your child develops Covid symptoms at home, they should <u>stay at home</u> and should book a PCR test), NOT a Lateral Flow test. • If your child develops Covid symptoms at school, they will be sent home and you should book them a PCR test. • If your child tests positive for Covid, they will need to self-isolate. The rest of the household does not need to self-isolate if they are under 18 or fully vaccinated – but instead should book a PCR test.

Community Covid Risk	Description	Actions
 <p>Low Community Transmission. No School Cases.</p>	<ul style="list-style-type: none"> • There have been no cases of Covid within school for 10 school days. • Cases of Covid locally are low and/ or stable. • Hospitalisation/ Deaths due to Covid nationally are low. 	<p>No Covid measures are necessary beyond:</p> <ul style="list-style-type: none"> • Reminding children and staff of good hand-hygiene. • Ensuring good ventilation encouraged. • Ensuring Children / Staff to stay at home if they have Covid Symptoms (and to book a PCR test). <p>Staff and secondary aged pupils will continue to test themselves using Lateral flow tests until the end of September.</p>
 <p>Rapidly Rising Community Transmission</p>	<p>No current Covid cases have been recorded at school, but...</p> <ul style="list-style-type: none"> • Cases of Covid are rising rapidly in the community causing disruption to other local schools. • Wolverhampton Public Health / Public Health England issue warnings of expected local/ national infection wave. 	<ul style="list-style-type: none"> • Ventilation of classrooms increased & hand-washing supervised. • Large indoor public performance audience numbers reduced. • Staff-room capacity is reduced. • Whole-school assemblies are replaced with Key Stage assemblies. • Clinically Vulnerable staff meet with Line-Managers to review their individual risk assessment & discuss additional protection (e.g. use of face coverings, reduction in movement between classes/ groups).

Number of Cases:**Description:****Actions:**

A single child or member of staff tests positive

- A single child or staff member tests positive for Covid in a class.
- No other cluster groups are affected.

- The infected person self-isolates for 10 days. Remote learning will be provided if they are well enough to complete it as outlined in the Remote Learning Plan.
- The parents of the child or the infected staff member will be contacted directly by NHS Track and Trace to establish likely contacts.
- Likely contacts will be contacted by NHS Track & Trace and advised to book at PCR Test. The school will contact parents to advise them if close contacts are known.
- Review risk assessments of CEV staff/ pupils where contacts of positive cases remain in the same group as them.
- **Close contacts do not need to miss school or self-isolate whilst they wait for the result of the PCR test unless they have Covid Symptoms.**

2 children or members of staff within a cluster group test positive within 10 days of each other.

OR

2 children or members of staff in a single class within 10 days.

- There have been 2 cases of Covid within a group of close contacts within 10 days which could mean that Covid is spreading within that group of pupils/staff.

- **As above for each positive case.**
- The school will discuss the outbreak with Wolverhampton Public Health and agree strengthening protective measures for 10 school days, including:
 - Reviewing risk assessments of CEV pupils and staff.
 - Re-introducing staff face masks for corridors & communal areas.
 - Adapting, limiting or postponing indoor sporting events, trips, open days and performances.
 - Reverting to video-link assemblies and staff meetings.
 - Reducing the amount of classes staff work across.
 - Resuming twice-weekly Staff Lateral flow testing.

Covid cases continue to increase rapidly within a 10 day period.

- Despite the measures indicated above, Covid cases within the school continue to rise within a 10 day period with multiple classes and staff affected, suggesting that Covid is spreading widely throughout the school.
- Incident Management Team meeting held between the school and Wolverhampton Public Health to agree further measures, for a further 10 school days, including:
 - Re-introducing class bubbles.
 - Reverting to class-based school lunches.
 - Limiting all non-essential visitors to school.
 - Postponing all non-essential events.
 - Re-introducing remote learning for individual classes for 10 school days considered, as outlined in the Remote Learning Plan.

The school will inform parents and staff of any changes to Covid measures should these be needed.
